Welcome Racers!

The Leadville Race Series proudly presents the 2014 Leadville Trail Marathon and Heavy Half Marathon. For those of you running the full marathon, this is your chance to qualify for the legendary Leadville Trail 100!

This exciting race, in its ninth year, is hosted in the Historic Mining District located on the east side of Leadville—an area known for its mining heritage, beautiful scenery and exciting trails. There will be many on-course aid stations providing water, energy drinks and an assortment of fuel foods and volunteer assistance. Spectators and racers can visit the vendor expo and everyone should bring their appetites and lawn chairs for a stop at the beer garden, where we will be serving up some great food and cold brews. Keep in mind that all of those involved in the Leadville Race Series - as well as the surrounding community - have done a lot of work to offer this course and wonderful racing experience. So please be courteous and help keep the town clean.

The course itself is an out-and-back a mix of dirt roads and single track, totaling the full 26.2 miles of a full marathon. Completion of the course in less than 8.5 hours will bring you closer to a possible start in the Leadville Trail 100 on August 16.

Thank you for racing with us and we hope to see you again at one of the many Leadville Race Series events around the country. Please visit leadvillerraceseries.com for a complete listing of all our events
