# // Welcome INTRO

## Welcome to Leadville!

Anything more is not necessary, anything less is not acceptable. We are so thrilled to welcome you to the 2023 Stages Cycling Leadville Trail 100 MTB, as we kick off our 40th year of racing in the magical Cloud City.

Leadville is a place to call home and feel connected with those who share a common passion. It's a starting line that welcomes each and every one of you with open arms. The thunder from the old double 12 gauge will start your great adventure and at the other end is that finish line. It's not just a finish line, it's the beginning of a new you – one who possesses the Grit, Guts, and Determination to take on the tallest mountains, the baddest trails, the thinnest air and refuses to quit until the job is done. That medal around your neck says, "I can take it and I can dish it out. You can count on me!"

Our goal for the Leadville Race Series remains the same as it has been since runners first lined up at 6th & Harrison on that early morning in 1983 – to make a difference in the local community and across the world. On your behalf and in your honor, the Leadville Trail 100 Legacy Foundation, the Life Time Foundation, and the Leadville Race Series have partnered on a variety of projects this past year to benefit Leadville and Lake County. We've given out over \$400,000 in college scholarships to Lake County graduating seniors choosing to pursue higher education, we've given grants for new trails in Leadville, we've supported healthy school lunches, and we've donated the funds for the construction of a new gym floor at Lake County High School. None of this could have been possible without the most important part of the Leadville Race Series - **YOU!**

When you race in Leadville, you become family. The staff, volunteers, and community of Leadville become your family. The work is done, and your family is ready for you to take to the start line! Now between the bang and the buckle – it's all about you. Dig Deep. Commit, don't quit. Motivation will get you to the starting line. Only total commitment will carry you to that finish.

**PROVE IT AGAIN**—YOU'RE BETTER THAN YOU THINK YOU ARE AND CAN DO MORE THAN YOU THINK YOU CAN.

*Ken, Merilee* & YOUR LEADVILLE RACE SERIES TEAM

## SATURDAY, August 12<sup>th</sup>, 2023 RACE DAY!

### CORRALS OPEN

5:00am – 6:15am

Corner of 6th St & Harrison

### Corral Notes:

- Wave times have been updated for 2022, they will remain the same in 2023.
- We will be staging on Harrison Ave.! Look for your corral marker on Harrison or West 6th St.
- Waves are being used as a means to reduce congestion and create a safer race.
- Waves are now more balanced by total riders in each wave.
- The white corral is now broken into 3 waves. These 3 waves are self-seeded.
- In 2022, an additional 5 minutes was added to cutoff times. This reflects a total increase of 20 minutes from 2021, when the wave start was initiated.

\*All belt buckle times are based on chip time. This ensures all racers who DO make their cut-off times, will have equal opportunity to make the 9 and 12 hour buckle times. (Verification of final buckle times and distribution will happen in the chute once you cross the line.)

## // Course OVERVIEW

### Stages Cycling Leadville Trail 100MTB

This is it, the granddaddy of all endurance MTB races. Get ready for a big day in the saddle. The 104-mile out-and-back course is in the midst of the Colorado Rockies. With a low point, 9,200 feet in Twin Lakes and a high point at Columbine Mine, topping out at 12,516 feet. The majority of the course is on rough forest service roads and high alpine two track with a little bit of singletrack to keep you on your toes. Come prepared, leave as a legend.

- 105 miles
- 12,270' Elevation Gain
- 9,200' Lowest Point
- 12,496' Highest Point
- The 2023 LT100 MTB course will be identical to the 2022 LT100 MTB course

## // Crew & Spectator INFO

**W**e recognize crews as a critical component to all of our events. Our courses cover open roads and trails and careful consideration must go into how and where crews and spectators can access their athletes. A conscious plan around this is a foundation of our partnership with the community, USFS, BLM, City of Leadville and Lake County officials to ensure we are providing a safe event experience to everyone involved. To support local community impacts and maintain safety on public roads, the only areas where crew and spectators are allowed on course are:

**PIPELINE AID STATION  
TWIN LAKES AID STATION  
TWIN LAKES “ALTERNATE” AID STATION**

### **CRITICAL ACCESS AWARENESS - Can result in a disqualification of your rider**

- Mountain View Observation and Parking Site along State HWY 82 is DAY USE ACCESS ONLY.
- This is NOT an official crewing location.
- You MUST pay the fee to access this location.
- It is first come first serve.
- You absolutely can NOT set up tents in this area the night before the race.
- Each Rider will be given **1 vehicle hang tag at registration** - hang tags should be visible and will have your plate number on it. Only one vehicle per rider will be allowed to travel to aid stations.
- Crewing outside of the locations stated above will ABSOLUTELY result in disqualification of your rider.

### **PARKING**

- Attendants - will assist you with parking
- Park only in designated area
- Do not disturb wildlife or vegetation

## // Crew & Spectator INFO

### LOCATION 1: PIPELINE

Course mileage - 28.5 miles

Outbound, 74.7 miles Inbound

Pipeline Aid Station is a key location to drive, park, and access our shuttle system to Twin Lakes.

See shuttle/Parking section for further information.

### LOCATION 2: TWIN LAKES DAM

Course Mileage - 41 miles Outbound, 63 miles Inbound

Please follow directions from all parking staff upon turning onto State Hwy 82

### LOCATION 3: TWIN LAKES ALTERNATIVE

Course mileage - 45 miles Outbound, 59 miles Inbound

[GPS Location](#)

## Crew Rules

Crews must abide by Lake & Chaffee County laws, all race rules, as well as listen and respect ALL law enforcement, ALL Leadville Race Series staff, volunteers, and all traffic support on course. If you fail to abide and respect our community you will be asked to leave and your athlete may be disqualified!

### Crew Do's:

- Crews can provide food, drinks and supplies
- Crews may furnish replacement bike parts and offer mechanical assistance. Ex: replacement chain.
- Pets are allowed - must be leashed and under control at all times.
- Set up permitted on Friday before race day after 6:00pm
  - No ground coverings of any type allowed
  - And tents must not be on any vegetation of any kind.

### Crew Don'ts: Grounds for Disqualification:

- Crewing outside of 3 official crew locations - Pipeline, Twin Lakes Dam & Twin Lakes Alternate
- No crew bikes, please. Crews should allow adequate time to park and walk to aid stations
- Riders must complete the entire course using the original bike frame, no changing of bikes is allowed.
- Littering
- Illegal parking
- No camping - arrive only on race day only

## Crew Shuttles

We have an enhanced shuttle program for 2023 and we strongly encourage crews and spectators to use the FREE shuttles. Please refer to the website under the "Parking and Shuttles" tab for the most current information and any updates.

## // Community IMPACT

What you need to know with regard to showing up in Leadville.

### From Race Director, Tamira Jenlink:

We welcome you Leadville race family, and are so excited to have you here and share this amazing back yard with you! You are the sustenance and foundation of all of our events. And unmistakably, your love for this community and these events, creates a life and energy much like that of a family reunion. (or for some of us... maybe the one we dream of...)

Along those lines and true to our ideal of what family means, so many of you have, and continue to reach out and ask “What can I do?” “How can I support, volunteer or be more a part of this amazing community?” And this season, I want to take a few moments to answer you directly, and equally as important, share a little of what our community of Leadville has also requested.

The first one, you will hear me mention often and consistently throughout the summer; “We are in Leadville’s backyard!” The magic of all of our experience begins and ends with Leadville and the foundation of this spectacular backyard; it’s amazing community.

So first, let’s talk about what “community” means. Here in Leadville, community is the depth and breadth of what makes this place special. Community, in Leadville means all the amazing humans who live and breathe this 10,152’ air year round. It refers to those folks who make this town happen, keep it moving and thriving in the dead of winter (when many of us might choose a warmer climate), and ultimately are the foundation and cornerstones of the heart of Leadville.

This amazing community is the reason we have a space to hold these events. It is truly a gift for us to be given permission to pursue these events in this extraordinary space. With that in mind, I not only invite you, but really put forth a Call To Action, for all of us to show up in this backyard, as our very best selves and ultimately the BEST POSSIBLE HUMANS WE CAN BE. The gift we are able to give back, is to really hear and respond to the requests with our full attention and presence!

So PLEASE join me in responding and holding up our end of being awesome athletes, spectators, crews and all around humans! Please take special note of the sections that follow on Parking, Zero Waste and Leave No Trace. These are specific areas that the community has requested our attention around. Thank-you in advance for joining me in consciously addressing these pieces, and ultimately a crucial representation of ourselves in this amazing back-yard!

And the last thing I will leave you with is.... Don’t forget to take just a moment for the total awe of where you are, all you’ve done to arrive here... and all the other amazing humans around you. Let’s take care of each other out there on race day, and this community before, during and after!

**Dig Deep and enjoy every last second!**

*Tamira*

## // Zero Waste & LEAVE NO TRACE

### Zero Waste

All LRS events are under a zero waste initiative, and as such will be enforcing strict guidelines around waste and sustainability at our events. What does this mean? These events have the potential to leave an enormous footprint. Part of our responsibility to this community and all public and private lands involved in these events, is our stewardship and protection of this land. **WE MUST HAVE YOUR HELP!**

### Trash & Recycling

- We partner with our local zero waste non-profit, [Cloud City Conservation Center \(C4\)](#), to divert 100% of race day waste from our local landfill. All Leadville races are a Zero Waste Event - meaning we do our absolute best to reduce, reuse, recycle and compost before sending something to the landfill.
- In 2022, Leadville managed to collect 68lbs of wrappers with GU TerraCycle! GU Energy is a proud partner once again and looks forward to repeating this successful impact in 2023 .
- **Know Before You Throw** - Leadville is a small community and we do not have the same waste infrastructure as your community. Please read all signage before tossing your trash -including both event and public receptacles. Aren't sure where to toss it? Ask a Zero Waste Volunteer on site or visit [C4leadville.org](#) before your trip to plan ahead.
- As a **Leave No Trace (LNT)** event, racers and crew are required to abide by the LNT principles on race day. We encourage you to follow these principles during your entire visit to Leadville - throughout your race weekend and any training visits you make as well! Please see our page on LNT.
- Intentional littering on the course, will be grounds for disqualification.
- The course—on trails both public and private— travels past many historic sites and through areas of exceptional beauty. Join us in this crucial initiative to keep them pristine!

# // Zero Waste & LEAVE NO TRACE CONTINUED

## Leave No Trace

The Leadville Race Series will directly hold and mirror the 7 principles already established and in place via the US Forest Service. Below is a direct excerpt from USFS Leave No Trace web page which can be found at: [https://www.fs.usda.gov/Internet/FSE\\_DOCUMENTS/fseprd605695.html](https://www.fs.usda.gov/Internet/FSE_DOCUMENTS/fseprd605695.html)

## The Leave No Trace Seven Principles

### ① Plan Ahead and Prepare

- Know the regulations and special concerns for the area you'll visit.
- Prepare for extreme weather, hazards, and emergencies.
- Schedule your trip to avoid times of high use.
- Visit in small groups when possible. Consider splitting larger groups into smaller groups.
- Repackage food to minimize waste.
- Use a map and compass to eliminate the use of marking paint, rock cairns or flagging.

### ② Travel and Camp on Durable Surfaces

- Durable surfaces include established trails and campsites, rock, gravel, dry grasses or snow.
- Protect riparian areas by camping at least 200 feet from lakes and streams.
- Good campsites are found, not made. Altering a site is not necessary.

#### In popular areas:

- Concentrate use on existing trails and campsites.
- Walk single file in the middle of the trail, even when wet or muddy.
- Keep campsites small. Focus activity in areas where vegetation is absent.

#### In pristine areas:

- Disperse use to prevent the creation of campsites and trails.
- Avoid places where impacts are just beginning.

## // Zero Waste & LEAVE NO TRACE CONTINUED

### ③ Dispose of Waste Properly

- Pack it in, pack it out. Inspect your campsite and rest areas for trash or spilled foods. Pack out all trash, leftover food and litter.
- Deposit solid human waste in catholes dug 6 to 8 inches deep, at least 200 feet from water, camp and trails. Cover and disguise the cathole when finished.
- Pack out toilet paper and hygiene products.
- To wash yourself or your dishes, carry water 200 feet away from streams or lakes and use small amounts of biodegradable soap. Scatter strained dishwater.

### ④ Leave What You Find

- Preserve the past: examine, but do not touch cultural or historic structures and artifacts.
- Leave rocks, plants and other natural objects as you find them.
- Avoid introducing or transporting non-native species.
- Do not build structures, furniture, or dig trenches.

### ⑤ Minimize Campfire Impacts

- Campfires can cause lasting impacts to the backcountry. Use a lightweight stove for cooking and enjoy a candle lantern for light.
- Where fires are permitted, use established fire rings, fire pans, or mound fires.
- Keep fires small. Only use sticks from the ground that can be broken by hand.
- Burn all wood and coals to ash, put out campfires completely, then scatter cool ashes.
- KNOW AND FOLLOW ALL CURRENT FIRE RESTRICTIONS

### ⑥ Respect Wildlife

- Observe wildlife from a distance. Do not follow or approach them.
- Never feed animals. Feeding wildlife damages their health, alters natural behaviors, and exposes them to predators and other dangers.
- Protect wildlife and your food by storing rations and trash securely.
- Control pets at all times, or leave them at home.
- Avoid wildlife during sensitive times: mating, nesting, raising young, or winter.

### ⑦ Be Considerate of Other Visitors

- Respect other visitors and protect the quality of their experience.
- Be courteous. Yield to other users on the trail.
- Step to the downhill side of the trail when encountering pack stock.
- Take breaks and camp away from trails and other visitors.
- Let nature's sounds prevail. Avoid loud voices and noises.

# // Your Safety & Health WHAT YOU NEED TO KNOW

Medical Aid Stations are run by LCSAR and staffed by a combination of LCSAR members and non-member volunteers.

**All Medical Aid Stations have basic first aid and basic life support capability, and provide:**

- Wound and blister care
- Hemorrhage Control
- Orthopedic and athletic injury stabilization
- OTX analgesic medications
- Hypothermia and Hyperthermia care
- Medical assessment
- BLS life support and resuscitation
- Oxygen and IV therapy only to critical patients while awaiting the next level of care (ambulance or flights)
- All medical aid stations can communicate with Race Command and Race Medical Command to request or transfer of the patient to the next level of care.

## On-Course Emergency Response

- On-course emergency response is organized and run by LCSAR and staffed exclusively by LCSAR members.
- On-course rescuers will respond on ATV's, in marked vehicles with lights and sirens, and sometimes on mountain bikes or on foot. Please give way to all rescue personnel you encounter on course!
- If you experience an emergency, or witness an emergency on course, please call 911, if able, and include a plate number and as specific a location as possible in your report. If you are not able to make a call, report your emergency or have a fellow competitor report your emergency to the nearest on-course LCSAR personnel or aid station personnel.

## Please Remember:

IV Therapy  
=  
Medical Transfer

Please give way to all rescue  
personnel you encounter on course!

## IMPORTANT Info & Rules

- 1 Please always remember this is an open/public course and you will encounter traffic on county roads. Stay aware of traffic at all times and remember that safety is priority number one.
- 2 You **MUST HAVE** your **ID** to pick up your packet. You **CANNOT** pick up a packet for your friends.
- 3 Timing chips, located on the back of the race plate, must be worn at all times during the race.
- 4 **DO NOT** fold your plate, this can damage the timing chip and cause timing errors.
- 5 Unsportsmanlike conduct is grounds for disqualification.
- 6 Respect the land - no garbage, clothing, etc., shall be thrown on the course. If riders are caught littering, they will be disqualified. There will be trash receptacles at all aid stations. Please use them!
- 7 DNFs must be reported to timing, preferably at the start/finish line or nearest aid station.
- 8 No pets on course or at the start/finish area per City of Leadville regulations.
- 9 **COURSE MARKING** - The trail will be marked with pink/black pink flags and flagging tape.
- 10 Aero bars or clip-on inner bar extensions are no longer allowed at Leadville Race Series MTB events.
  - Traditional bar ends located outside of the grip are still permitted.

**FOR A COMPLETE LIST OF LT100 MTB RULES, PLEASE VISIT OUR WEBPAGE**

## Corral NOTES

### Race Start & Timeline

Please give yourself plenty of time on race day, expect there to be a lot of traffic/parking may be difficult.

**Reminder** - Be sure to have your bike plate affixed to your handlebars.

**5:00am | Corrals open**

**6:15am | All athletes should be in their corrals with their bikes**

**6:25am | Unattended bikes will be removed**

**6:30am | RACE START – Gold AND Silver**

**6:32:30am | Red**

**6:35am | Green**

**6:37:30am | Purple**

**6:40am | Orange**

**6:42:30am | Blue**

**6:45am | White 1**

**6:47:30am | White 2**

**6:50:00am | White 3**

An additional 5 minutes was added to cutoff times in 2022. This reflects a total increase of 20 minutes, from 2021, when the wave start was initiated. This maintains the integrity of the long standing cut-off times and equality for each wave.

All belt buckle times are based on chip time. This ensures all racers who DO make their cut-off times, will have equal opportunity to make the 9 and 12 hour buckle times. (Verification of final buckle times and distribution will happen in the chute once you cross the line.)

### Corral Rules

- 1 Riders will be in pre-assigned color-coded corrals. Corrals will be clearly marked.
- 2 Riders must start in assigned corral.
- 3 If you do not start in your assigned corral - you will be disqualified.
- 4 WHITE 1, 2, 3 will be SELF-SEEDED.
- 5 **SAME AS 2022**, We will be staging corrals on Harrison Ave.!

## Not in the right corral?

If you believe that you have a finish time that would place you in a faster corral, here are the steps needed:

- ① **View our 2023 corral chart for corral assignments and eligible races.**
- ② **Send a screenshot or the direct link to your 2022 or 2023 results to us at: [leadville@ltevents.zendesk.com](mailto:leadville@ltevents.zendesk.com) for us to verify and consider re-corralling you.**

As one of the most well-known mountain bike races on earth, getting into the Leadville Trail 100 MTB has always been difficult. LT100 Qualifiers are long and tough, with lots of climbing. They are similar to the classic course at Leadville in that they consist mainly of rugged jeep roads of gravel and dirt. A qualifier event could not only gain you entry into the LT100 MTB, but it could also boost your corral starting position in the Race Across the Sky!

Rider starting positions will be organized in color-coded corrals. These positions will be based on a finish time from a previous (see corral chart) LT100 MTB finish/qualifier finish. Please enter finish times or email a current photo of your USAC or UCI Pro Cross Country Elite license when prompted during the registration process. However, if you race a qualifier after previously gaining entry, you **MUST** email Athlete Services a direct link to your individual results so you will be placed accordingly. You will not be placed automatically.

**CORRAL ASSIGNMENT TIMES ARE SUBJECT TO CHANGE AT ANY TIME AT THE SOLE DISCRETION OF THE LEADVILLE RACE SERIES.**

# // Awards

### Race Sponsors

We thank the following sponsors for making the 2023 Stages Cycling Leadville Trail 100 MTB possible. Whether local or national, we ask our participants and fans to look to these sponsors first for the services or products they provide. We truly could not host these amazing events without all of you.

**Our most sincere thanks to you all!**
