## // WELCOME INTRO

### WELCOME HOME!

You didn't find Leadville, Leadville found you! So, come on home and once again, prepare to Dig Deep and breathe 10,200 feet of pure Leadville mountain air.

The event you've committed to will demand you Dig Deep. From the 10K, to the 100 mile run/100 mile mountain bike, Merilee and Tamira have spared no time or effort to remove any easy parts. Digging Deep will begin at the sound of the shotgun. Expect every stride, every push of the pedal to hurt some, and then, some more. So make pain your friend and you'll never have to run/ride alone. We believe in you! Now, you must believe in you. We have proved 1,000's of times—inside each runner, each rider is an inexhaustible well of Grit, Guts and Determination. So, when you need it, and you will—DIG DEEP! It's there! Inexhaustible!

Since that first 100 mile run in 1983 our primary goal has not changed: the economic survival and vitality of Leadville. And because of you, we have grown. On your behalf and in your honor, we established the Leadville Trail 100 Legacy Foundation. The Legacy, with the Leadville Race Series, has awarded more than \$1,120,000 in college scholarships to Lake County graduating seniors choosing to pursue higher education. In concert with our partner, the Life Time Foundation, we have joined forces on a variety of projects including grants for new trails and a mini excavator to build them, supporting healthy school lunches, and a new gym floor at Lake County High School. None of this would have been possible without the most important part of the Leadville Race Series—YOU!

You are family. Remember to thank the staff and volunteers whose hard work is singular—to get you from the starting line to the finish line. Family, friends, your job; all have sacrificed to get you to this point. Don't let them down. Don't let yourself down. From the bang to the buckle—totally you. Dig Deep. Commit. Repeat to yourself, "I won't quit".

**CROSSING THAT RED CARPET WILL CHANGE YOUR LIFE. THE SILVER BUCKLE IS WHAT YOU GET. WHAT YOU GAIN IS WITHOUT LIMITS!!**

## // **COURSE** OVERVIEW

### **LIFE TIME LEADVILLE TRAIL 100 MTB PRESENTED BY KENETIK**

This is it, the granddaddy of all endurance MTB races. Get ready for a big day in the saddle. The 104-mile out-and-back course is in the midst of the Colorado Rockies. With a low point, 9,200 feet in Twin Lakes and a high point at Columbine Mine, topping out at 12,516 feet. The majority of the course is on rough forest service roads and high alpine two track with a little bit of singletrack to keep you on your toes. Come prepared, leave as a legend.

**105**  
Miles

**12,480'**  
Elevation Gain

**9,219'**  
Lowest Point

**12,499'**

### **GPS FILE**

**SCAN OR CLICK  
TO VIEW**

### **NEW FOR SAFETY IN 2024**

- The course will route through Outward Bound Property at mile 24.8 until Mile 26 where it rejoins the traditional course.
- This will add 1.2 miles of single track and eliminate the pavement portion.

## // COMMUNITY IMPACT **EVENT CHANGES**

### **WELCOME LEADVILLE RACE FAMILY!!!**

We are looking forward to sharing yet another magical, dream chasing, soul changing race season with all of you! Thank you for all you bring, including all of your support to our local community.

As many of you know, these events have grown from the timely vision of Ken and Merilee to address a critical economic impact with our local mine closing in 1982. From the first 45 starters in 1983, to 7 weekends of sold out events, we can all agree their vision has not only been incomparably realized, but has forged the path for outdoor recreation as a mainstay of today's economic vitality in Leadville.

With this in mind, we are reaching out to all of you to invite and request your support in how we manage the intersection of economic vitality with local impact. Please know these changes were not implemented lightly, but made collaboratively with local government agencies, with the greatest consideration for safety and experience for all. Much like the climb up Columbine, if something seems insurmountable, our athletes adapt and astound us every time.

There are a number of changes for 2024, with the most significant listed below this letter. Please be sure to read the athlete guide from front to back, and always check the website for the most current updates.

Please join us in continuing to forge the vision of Ken and Merilee in a sustainable stewardship path forward. Together we are “so much better than we think we are”... and can ALWAYS “do more than we think we can”. Thank you for joining myself, our amazing team, and our precious community of Leadville in these collective efforts.

# // ZERO WASTE & LEAVE NO TRACE

## ZERO WASTE

All LRS events are under a zero waste initiative, and as such will be enforcing strict guidelines around waste and sustainability at our events. What does this mean? These events have the potential to leave an enormous footprint. Part of our responsibility to this community and all public and private lands involved in these events, is our stewardship and protection of this land. **WE MUST HAVE YOUR HELP!**

## TRASH & RECYCLING

- We partner with our local zero waste non-profit, **CLOUD CITY CONSERVATION CENTER (C4)**, to divert 100% of race day waste from our local landfill. All Leadville races are a Zero Waste Event - meaning we do our absolute best to reduce, reuse, recycle and compost before sending something to the landfill.
- **KNOW BEFORE YOU THROW** - Leadville is a small community and we do not have the same waste infrastructure as your community. Please read all signage before tossing your trash -including both event and public receptacles. Aren't sure where to toss it? Ask a Zero Waste Volunteer on site or visit **C4LEADVILLE.ORG** before your trip to plan ahead.
- As a **LEAVE NO TRACE (LNT)** event, racers and crew are required to abide by the LNT principles on race day. We encourage you to follow these principles during your entire visit to Leadville - throughout your race weekend and any training visits you make as well! Please see our page on LNT.
- Intentional littering on the course, will be grounds for disqualification.
- The course—on trails both public and private— travels past many historic sites and through areas of exceptional beauty. Join us in this crucial initiative to keep them pristine!

# // ZERO WASTE & LEAVE NO TRACE CONTINUED

## LEAVE NO TRACE

The Leadville Race Series will directly hold and mirror the 7 principles already established and in place via the US Forest Service. Learn more about the Leave No Trace Principles here:

[https://www.fs.usda.gov/Internet/FSE\\_DOCUMENTS/fseprd605695.html](https://www.fs.usda.gov/Internet/FSE_DOCUMENTS/fseprd605695.html)

### The Leave No Trace Seven Principles

#### 1 PLAN AHEAD AND PREPARE

- Know the regulations and special concerns for the area you'll visit.
- Prepare for extreme weather, hazards, and emergencies.
- Schedule your trip to avoid times of high use.
- Visit in small groups when possible. Consider splitting larger groups into smaller groups.
- Repackage food to minimize waste.
- Use a map and compass to eliminate the use of marking paint, rock cairns or flagging.

#### 2 TRAVEL AND CAMP ON DURABLE SURFACES

- Durable surfaces include established trails and campsites, rock, gravel, dry grasses or snow.
- Protect riparian areas by camping at least 200 feet from lakes and streams.
- Good campsites are found, not made. Altering a site is not necessary.

##### IN POPULAR AREAS:

- Concentrate use on existing trails and campsites.
- Walk single file in the middle of the trail, even when wet or muddy.
- Keep campsites small. Focus activity in areas where vegetation is absent.

##### IN PRISTINE AREAS:

- Disperse use to prevent the creation of campsites and trails.
- Avoid places where impacts are just beginning.

# // **ZERO WASTE** & LEAVE NO TRACE CONTINUED

## ③ **DISPOSE OF WASTE PROPERLY**

- Pack it in, pack it out. Inspect your campsite and rest areas for trash or spilled foods. Pack out all trash, leftover food and litter.
- Deposit solid human waste in catholes dug 6 to 8 inches deep, at least 200 feet from water, camp and trails. Cover and disguise the cathole when finished.
- Pack out toilet paper and hygiene products.
- To wash yourself or your dishes, carry water 200 feet away from streams or lakes and use small amounts of biodegradable soap. Scatter strained dishwater.

## ④ **LEAVE WHAT YOU FIND**

- Preserve the past: examine, but do not touch cultural or historic structures and artifacts.
- Leave rocks, plants and other natural objects as you find them.
- Avoid introducing or transporting non-native species.
- Do not build structures, furniture, or dig trenches.

## ⑤ **MINIMIZE CAMPFIRE IMPACTS**

- Campfires can cause lasting impacts to the backcountry. Use a lightweight stove for cooking and enjoy a candle lantern for light.
- Where fires are permitted, use established fire rings, fire pans, or mound fires.
- Keep fires small. Only use sticks from the ground that can be broken by hand.
- Burn all wood and coals to ash, put out campfires completely, then scatter cool ashes.
- KNOW AND FOLLOW ALL CURRENT FIRE RESTRICTIONS

## ⑥ **RESPECT WILDLIFE**

- Observe wildlife from a distance. Do not follow or approach them.
- Never feed animals. Feeding wildlife damages their health, alters natural behaviors, and exposes them to predators and other dangers.
- Protect wildlife and your food by storing rations and trash securely.
- Control pets at all times, or leave them at home.
- Avoid wildlife during sensitive times: mating, nesting, raising young, or winter.

## ⑦ **BE CONSIDERATE OF OTHER VISITORS**

- Respect other visitors and protect the quality of their experience.
- Be courteous. Yield to other users on the trail.
- Step to the downhill side of the trail when encountering pack stock.
- Take breaks and camp away from trails and other visitors.
- Let nature's sounds prevail. Avoid loud voices and noises.

# YOUR SAFETY & HEALTH

## WHAT YOU NEED TO KNOW

Medical Aid Stations are run by LCSAR and staffed by a combination of LCSAR members and non-member volunteers.

### **ALL MEDICAL AID STATIONS HAVE BASIC FIRST AID AND BASIC LIFE SUPPORT CAPABILITY, AND PROVIDE:**

- Wound and blister care
- Hemorrhage Control
- Orthopedic and athletic injury stabilization
- OTX analgesic medications
- Hypothermia and Hyperthermia care
- Medical assessment
- BLS life support and resuscitation
- Oxygen and IV therapy only to critical patients while awaiting the next level of care (ambulance or flights)
- All medical aid stations can communicate with Race Command and Race Medical Command to request or transfer of the patient to the next level of care.

### **ON-COURSE EMERGENCY RESPONSE**

- On-course emergency response is organized and run by LCSAR and staffed exclusively by LCSAR members.
- On-course rescuers will respond on ATV's, in marked vehicles with lights and sirens, and sometimes on mountain bikes or on foot. Please give way to all rescue personnel you encounter on course!
- If you experience an emergency, or witness an emergency on course, please call 911, if able, and include a bib number and as specific a location as possible in your report. If you are not able to make a call, report your emergency or have a fellow competitor report your emergency to the nearest on-course LCSAR personnel or aid station personnel.

### **PLEASE REMEMBER:**

IV Therapy  
=  
Medical Transfer

Please give way to all rescue personnel you encounter on course!

## IMPORTANT INFO & RULES

1 Please always remember this is an open/public course and you will encounter traffic on county roads. Stay aware of traffic at all times and remember that safety is priority number one.

2 You **MUST HAVE** your **ID** to pick up your packet. You **CANNOT** pick up a packet for your friends.

3 Timing chips, located on the back of the race plate, must be worn at all times during the race.

4 **DO NOT** fold your plate, this can damage the timing chip and cause timing errors.

5 Unsportsmanlike conduct is grounds for disqualification.

6 **RESPECT THE LAND** - no garbage, clothing, etc., shall be thrown on the course. If riders are caught littering, they will be disqualified. There will be trash receptacles at all aid stations. Please use them!

7 DNFs must be reported to timing, preferably at the start/finish line or nearest aid station.

8 No pets on course or at the start/finish area per City of Leadville regulations.

9 **COURSE MARKING** - The trail will be marked with pink/black pink flags and flagging tape.

10 Aero bars or clip-on inner bar extensions are no longer allowed at Leadville Race Series MTB events.

- Traditional bar ends located outside of the grip are still permitted.

### CORRAL RULES

Riders will be in pre-assigned color-coded corrals. Corrals will be clearly marked.

Riders must start in assigned corral.

If you do not start in your assigned corral – you will be disqualified.

BROWN 1 & 2 will be SELF-SEEDED.

All belt buckle times are based on chip time. This ensures all racers who DO make their cut-off times, will have equal opportunity to make the 9 and 12 hour buckle times. (Verification of final buckle times and distribution will happen in the chute once you cross the line.)

### NOT IN THE RIGHT CORRAL?

If you believe that you have a finish time that would place you in a faster corral, here are the steps needed:

- 1 View our 2024 corral chart for corral assignments and eligible races.
- 2 Send a screenshot or the direct link to your 2023 or 2024 results to us at: [leadville@ltevents.zendesk.com](mailto:leadville@ltevents.zendesk.com) for us to verify and consider re-corralling you.

As one of the most well-known mountain bike races on earth, getting into the Leadville Trail 100 MTB has always been difficult. LT100 Qualifiers are long and tough, with lots of climbing. They are similar to the classic course at Leadville in that they consist mainly of rugged jeep roads of gravel and dirt. A qualifier event could not only gain you entry into the LT100 MTB, but it could also boost your corral starting position in the Race Across the Sky!

Rider starting positions will be organized in color-coded corrals. These positions will be based on a finish time from a previous (see corral chart) LT100 MTB finish/qualifier finish. If you race a qualifier after previously gaining entry, you MUST email Athlete Services a direct link to your individual results so you will be placed accordingly. You will not be placed automatically.

Corral assignment times are subject to change at any time at the sole discretion of the Leadville Race Series.
